

## Lake Road Four Laning Project Update # 6

23 December 2011

**Project Overview:** Widening of Lake Road to four lanes to improve safety and reduce congestion.

### What's Happening Now:

- Work will cease for the Christmas break. The Contractors will be back on site continuing work on 9<sup>th</sup> January 2012. the site will be monitored for problems over the period. Updates will resume in the week beginning 9<sup>th</sup> January 2012.

### What Will happen Over the Coming Month & Onwards:

- Continuation of work on the new Utuhina Stream Bridge, stormwater drain laying and laying of service ducts.
- Works are generally on the south side between Dinsdale St and Ranolf Street with High Voltage power ducting on the northern side.

### Traffic Management:

- Regular information on coming works and timelines in 2012 will be provided by email updates, electronic message signs and on [www.rdc.govt.nz](http://www.rdc.govt.nz) in 2011/2012.
- The site will be reinstated to allow full two-lane traffic and pedestrian access over the Christmas Break.

### Spreading the Word:

- These email project updates are available to anyone. People can sign up to receive these updates by emailing: [lakeroad@rdc.govt.nz](mailto:lakeroad@rdc.govt.nz)
- The next project update will be sent on Friday 13<sup>th</sup> January 2012.
