Judged New Zealand's Most Beautiful City 2006

Kia Ora Coach Captains,

Welcome to the beautiful city of Rotorua. Here in Rotorua we pride ourselves on being the birthplace of tourism in New Zealand and have been extending our hospitality to visitors for over 160 years.

We understand that manoeuvring a coach within city centres is not always a pleasant experience so to help make your stay more enjoyable we have prepared this flyer detailing where you may load and unload passengers and park your coach. Please take the time to study this map to determine the coach facilities that will best meet your needs.

Once again thank you for bringing your passengers to our city and we hope you enjoy your stay with us.

Sincerely,

Kevin Winters
Mayor
