Why Cycle?

- Cycling beats queues and is the fastest way to get around town.
- Save up to \$100 per week by cycling instead of using the car.
- Cycling is one of the easiest ways to keep fit and it's fun!
- Biking to work or school is an easy way to get regular exercise.
- Rotorua is a great place to get around because it's flat and we have a mild climate.
- Riding your bike doesn't pollute and is extremely energy efficient.
- Free parking – it costs you nothing as long as you park where you're meant to!
- 1/3 of all trips are under 2km – a distance that can be cycled in less than 6 minutes!

Mountain Biking in Rotorua

Whakarewarewa Forest has some of the best mountain biking on the planet. With approximately 70km of purpose built bike trails, catering for all levels of ability and beautiful lakes to cycle to, the Whakarewarewa Forest is the ultimate place to mountain bike.

Trail maps of the Whakarewarewa Forest cost \$5 and are available from bike shops in Rotorua and from the Redwoods Visitor Centre on Long Mile Road. The maps are printed on waterproof paper and are full colour A2. You'd be lost without one!

Cycle Safety

- Make sure your bike is roadworthy and always wear a helmet.
- Be seen – wear bright or reflective clothing and use lights at night and on rainy or foggy days.
- Obey the road rules.
- Stop for red lights.
- Buy a good bike lock and lock the frame of your bike to the bike stand.
- Use hand signals so motorists can see where you want to go.
- Ride defensively; keep a metre out from parked cars.
- Take care on off-road cycleways where you may need to share the path with pedestrians.

Catch a Bus
